Spare Parts

The corresponding spare parts drawings / exploded views can be found on our website

www.carl-walther.de

Always state the order number and the price group (e.g. 200 36 01 S) whenever you order your spare parts.

Parts not numbered in the illustration are not available except as part combined subassembly.

The subassembl is circled on the illustration sheet.

The illustration numbers marked * relate to spare parts that are only available upon submission of an authorisation to purchase them.

After effecting repairs using these parts, approval from a state-run test-firing range is required.
